

# Coat of Arms Creations

Guide and Templates (pages 2-5)

Watch our Coats of Arms video [here](#)

- 1. Decorate your shield with colours and patterns that represent you.**  
There's a range of templates below for you to choose from if you'd like.  
You might include the colours of your favourite sports team or a pattern that's on your favourite outfit. Maybe you'll use the letters in your name?
- 2. Add an animal on either side of your shield.**  
Perhaps you've got a family pet you'd like to include?
- 3. Write a motto for your family.**  
This could be a wish you have for your future or some words that inspire you.
- 4. Draw or decorate a helmet on the top of your shield.**  
You might include feathers, wreaths or even animals.
